Meerut, 250001

SUMMARY

Driven biotechnologist student with hands-on experience in conducting laboratory tests, analyzing samples, and documenting results. Committed to maintaining lab safety protocols and contributing to the development of new procedures for improved efficiency. Adept at collaborating with team members to drive project success.

EDUCATION

Meerut Institute of Engineering and Technology

Bachelor of Science, Biotechnology (Hons.)
2024-2027

Intermediate, PCB, 2023

St John's Sr Sec School- Meerut

High School Diploma, 2021

St John's Sr Sec School- Meerut

SKILLS

- Effective communication
- Laboratory safety
- Creativity and innovation
- Quality control
- Research and analysis
- Research
- Quick learner
- Verbal and written communication
- Photo Video Editing

LANGUAGES

- **Hindi**
First Language
- **English**
Secondary Language
- **French**
Proficient Language

HOBBIES

- Roller Skating
- Strength training and muscle building
- Learning classical ragas and taals

EXPERIENCE

Intern

Pledge A Smile Foundation- Delhi
06/2025- 07/2025

Campus Ambassador

Sherlock Institute of Forensic Science (SIFS)- Delhi
05/2025 - Present

Secretary

Aashayein-The Never Ending Hopes- Meerut
08/2024 - Present

CERTIFICATIONS

• Published Abstract and presented Poster Presentation:-

Topic: The Role of Plant Secondary Metabolites in Human Health and Medicine

In National Conference on Regulatory Landscape of Herbal Medicines and Botanicals: Post COVID-19 Pandemic Impact on Trade and Development Organized by Department of Pharmaceuticals and Department of Biotechnology in association with Meerut Institute of Engineering and Technology.

• Workshop on Molecular Biology and Biochemistry Techniques

Edutech Life in association with Tryst 2025, IIT Delhi

Indian Institute of Technology Delhi

Date: 18th-19th January 2025

Format: 2-Day Offline Workshop

Key Learnings: Practical insights into molecular biology techniques, biochemical analysis methods, and lab-based experimental approaches.
