Professional Summary

Compassionate and insightful psychology graduate with a strong foundation in both psychology and political science. I will be starting my PG program in MBA from 2025-2027, and I am eager to leverage my understanding of human behavior and empathy in the marketing field. With a proven track record of leadership and participation in various extracurricular activities, I am committed to applying my skills as a fresh perspective in a dynamic marketing environment.

Skills

- Psychological insight into human behavior and motivation, valuable for marketing strategies.
- Strong verbal and written communication skills developed through competitions and leadership roles.
- Leadership and team collaboration experience from school, college, and volunteer projects.
- Adaptability, empathy, and creative problem-solving.

Education

Master of Business Administration (MBA)

2025 - 2027 (Expected)

Will be starting my PG program in MBA, focusing on business management and marketing strategies.

Bachelor of Arts in Psychology and Political Science

Graduated 2024

Completed undergraduate studies with a multidisciplinary approach combining psychology and political science.

Extracurricular Activities & Leadership

- Award-winning participant in speech, debate, writing, and quiz competitions.
- Served as House Captain in school, leading teams and organizing events.
- Led a significant project during college, demonstrating effective leadership and project management.
- Actively involved as an NSS volunteer, contributing to community service and social initiatives.

Hobbies

Scribbling and sketching, using artistic activities as a creative outlet to enhance mindfulness and expression.
