- French (Self-Learning)

ABOUT ME

I am a History major with a Sociology minor at Jadavpur University, deeply interested in societal and historical research. My academic training has shaped a strong analytical foundation, but I believe meaningful understanding comes from engaging with real-world contexts. I aim to apply my classroom learning to fieldwork, research, and documentation that contribute to development-oriented change.

EXPERIENCE

History Helpdesk Volunteer – JU Aspirant Mentorship Jadavpur University

- Guided aspiring UG students through entrance preparation, providing structured academic help and emotional support (Guided 20+ aspirants)
- Documented common FAQs and trends for future batches

Independent Research Writing

- Currently working on a research article titled "The Forgotten Cities of the East: Rethinking Second Urbanization from the Perspective of Ancient Bengal"
- Worked on a magazine article titled "Partition of Bengal in 1905: Silence in The Margins Despite Songs Of Resistance"

Member - Jadavpur University Debating Society

- Regular Participation in debates (Participated in 10+ debates, 5+ MUNs)

INTERESTS

- Societal Research
- Historical Memory & Documentation
