SUMMARY

Creative and driven B.Com student at Ram Lal Anand College, University of Delhi, with a keen interest in human resources and marketing. Passionate about understanding people, crafting meaningful brand communication, and combining creativity with strategic thinking. Actively contributed to college societies, leading and supporting various marketing and design initiatives. Gained practical experience through a graphic design internship, developing visual content for social impact campaigns. Recognized for strong communication skills, attention to detail, and a proactive, solution-oriented approach. Proficient in tools such as Canva for design and Excel for data analysis and organization. Eager to pursue dynamic roles that integrate creativity, interpersonal engagement, and strategic insight within the HR and marketing domains.
