Objective

Curious, creative, and committed to impactful storytelling, I am a Journalism and Mass Communication student at St. Xavier's College of Management and Technology. I aspire to bring compelling narratives to life-whether through a camera lens or the written word. With hands-on experience in content writing, visual media, and editing, I seek to contribute to a forward-thinking media platform where I can explore stories that matter and shape public discourse with integrity and passion.

Experience

- . Camera handling
- . Editing (Vn editing app)
- . Content writer
- . Anchoring
- . voice over artist

Works

College Media Projects:

1. Handled camera setup and visual framing for college events and presentations.
2. Edited and compiled college event clips

Working for hind news as an editor, script writer and voice over artist
