PROFILE SUMMARY

A dedicated sociology graduate with a deep interest in understanding and addressing social issues related to gender, childhood, stigma, mental health, and queer identities. Eager to work in spaces that focus on social justice, community upliftment, and inclusive development. Strong in research, observation, and interpersonal communication, and passionate about contributing meaningfully to projects rooted in equity and empowerment.

WORK EXPERIENCE

Field Observation – Hauz Khas Village, New Delhi (2024)
Role: Sociology Student (Ethnographic Fieldwork)

- Conducted detailed observation of social spaces and cultural behaviors in Hauz Khas Village.
- Analyzed patterns of gentrification, public-private interactions, and class-based spatial segregation.
- Compiled a field report highlighting symbolic use of urban spaces and social identity.

Visual Research Project – Structuralism in Indian Weddings (2024)
Role: Visual Researcher (Photo Essay)

- Captured images from a traditional North Indian wedding and interpreted them using Claude Lévi-Strauss's structuralist theory.
- Connected rituals, kinship structures, and mythological elements to deeper sociocultural meanings.
- Developed a photo assignment integrating visual sociology and anthropological theory.

Survey Research – Peer Pressure and Substance Use Among College Students (2025)
Role: Student Researcher

- Designed a survey to understand how peer dynamics influence substance use among youth.
- Analyzed results using basic statistics and interpreted findings through sociological concepts.
- Focused on stigma, gender differences, and mental health concerns.

Documentary Review – Kiss the Ground (2024)

Role: Presenter

- Reviewed the documentary with a sociological lens focusing on environmental degradation and rural impact.
- Linked themes of climate change with socio-economic inequality and community resilience.

Achievements & Awards

- District Roller Skating Association – Gold Medalist (2018)
- District Roller Speed Skating Championship – Gold Medalist (2019)
- State-Level Skating Championship – Bronze Medalist (2019)
