OBJECTIVE

Through my involvement in awareness drives, youth programs, and volunteer work, I've grown genuinely interested in working on real-world issues like education, health, and social inclusion. These experiences have helped me build communication, planning, and facilitation skills, and I'm looking to contribute to projects that create meaningful, lasting impact on communities.

EDUCATION

School – Army Public School, Dhaula Kuan

College - Maharaja Surajmal Institute, Janakpuri, New Delhi

Degree – Bachelor of Business Administration [Banking and Insurance],

Current undergraduate year- 2nd year

EXPERIENCE/ VOLUNTEERING

- Awareness & Education Drive –
 - Taught English and Social Science to underprivileged children.
 - Organized awareness campaigns on menstrual hygiene, reproductive health, and importance of education.
 - Led a community clean-up and conducted sessions on child rights.
 - Participated in distributing surplus food to street dwellers and low-income families with a local RHA chapter.
- NSS (CURRENTLY IN COLLEGE)
 - Spearheaded sanitary pad donation campaigns within college
 - Volunteer for "Project Yuva," focusing on mental health, gender bias, body positivity, and sex education for teenagers.
 - Assisted in organizing blood donation and health check-up camps.
 - Robin Hood Army – Food Distribution Volunteer: Helped distribute surplus food to families in need and individuals living on the streets.
 - Goonj – Clothing Donation Volunteer: Assisted with sorting and distributing clothes to underserved communities as part of a local Goonj drive.
- COLLEGE EVENTS AND SOCIAL SECTOR OUTREACH:
 - Managed outreach, registration, and logistics for college fests and society-led events.

- Coordinated Thrive, a career fest by Enactus, featuring organizations like SBI Youth Fellowship, ISDM, and Primal Foundation to promote careers in the social sector.
