- I have accomplished a Legal Research internship at Vintage Legal.
- I have completed an internship at Rajpati & Associates, where I have drafted, made a presentation, and also taken part in group discussions.
- Recently completed an internship focusing on forensic science methodologies and their legal applications.

Skills

- Research and writing skills
- Drafting

Accomplishment

- I have completed a Legal Research and Writing course at Lawoctopus and got a certificate.
- I have published six articles on The Advocates Pedia Foundation's website.
- I have published a 3000-word full-length research paper on the Juris Centre's website.
- My three research articles were published on Legal Vidhya's website.

Career Goals

- Being an enthusiast in learning and shaping my ideas through methodical and comprehensive study, and exploring my skills in the field of Law. I am looking for a role where I can pitch my ideas, along with being mentored toward a successful career.

Reasons for selecting this Internship

- Joining an internship as a law student is essential for gaining practical experience and honing the skills necessary for a successful legal career. It will provide me with an opportunity to bridge the gap between theory and practice, allowing me to apply classroom knowledge to real-world situations. Moreover, internships offer exposure to diverse areas of law, helping me discover my interests and build a professional network. They will also enhance my resume and credibility, making me a more competitive candidate for future job opportunities. Overall, internships are a vital stepping stone in my journey to becoming a proficient and effective legal professional.
