Bachelor of Commerce (Pass)
3rd year
- Central Board of Secondary Education** Aug 2021 - Sep 2023
93.4%

PROJECTS

Analysis Dashboard | Excel

- Developed an interactive HR dashboard using Excel to analyse employee attrition data, with nearly 1500 entries.
- Utilised **PivotTables**, **VLOOKUP**, and **conditional formatting** to uncover trends in employee turnover, such as attrition rates – Department-wise, Age-wise, Qualification, etc.
- Applied **data cleaning** techniques to process raw data and ensure accuracy.
- Implemented **dynamic charts and graphs** to visualise key metrics like **Job role**, **Attrition rate by age**, etc.

Sales Performance Dashboard | Tableau

- Created an **interactive Tableau dashboard** using Superstore sales **data(-9 K+ rows)** to visualise key performance metrics like overall profit by category, sales by region, and top 10 least profitable products.
- Designed clear and visually appealing charts (bar charts, maps, bubble charts) to aid in **executive-level decision-making**.
- Highlighted low-performing products and regions, **providing insights** for potential strategic improvements.
- Ensured dashboard **responsiveness and user-friendliness**, enhancing interpretability for non-technical users.

Sales Performance & Customer Insights Dashboard | SQL Server, T-SQL, Excel

- Analyzed 15K+ records** from **SalesDB** to identify top customers, product trends, and employee sales performance using advanced T-SQL (joins, CTEs, aggregates).
- Uncovered 90K+** in individual employee sales, seasonal spikes (Feb–Mar), and 20+ data quality issues (e.g., null billing addresses), driving actionable business insights.
- Designed Excel dashboards with pivot charts and dynamic visuals** to present **KPIs** on revenue trends, top-performing SKUs, and delayed shipments for executive review.

SKILLS

- Analytical Tools:** Advanced Excel | Tableau | Power BI | SQL(Basic)
- Collaboration platforms:** Jira(Agile scrum) | Confluence | Lucid charts
- Other Skills:** Business Analysis | Communication | Market research | Requirement gathering

EXTRA-CURRICULAR ACTIVITIES AND ACHIEVEMENTS

- Achieved Member of the Month** recognition for outstanding contributions to college society initiatives and event planning.
- Attained a LinkedIn Learning Certificate in Business Analysis Foundation.**
- Acquired a Business Analyst Certification** from **Analyst Club**, enhancing analytical thinking and problem-solving proficiency.
- Certified in BCG's Strategy Consulting Job Stimulation**, demonstrating problem-solving and real-world simulation
- Volunteering: Volunteered at **ClayLab Education Foundation** (May 2025-Current)
- Team member – **Women Development Cell**, Satyawati College ,DU
 - Led awareness drives on menstrual health with 3+ NGOs, reaching 500+ women and aiding data-backed planning.
 - Supported social media outreach, boosting engagement by 40%.
