The Recruitment Team

Child Rights and You (CRY)

New Delhi, India

Subject: Application for Internship – Research & Documentation, Data Analysis and Operations

Dear Team CRY,

I am writing to express my keen interest in the Internship opportunity in Research, Data Analysis, and Operations at **Child Rights and You (CRY)**. As an MBA candidate at **Jamia Millia Islamia** specializing in Finance and Operations, and a former volunteer with CRY's **SPRINT Program**, I am deeply aligned with your mission of empowering children through education and protection.

During my previous engagement with CRY in 2021, I raised fund for adolescent girls to complete their education, facilitated community engagement, researched about the local NGOs working for child welfare, learned about the Childs Right and Protection Policy specified by UNCRC and prepared materials for community outreach. This hands-on experience profoundly shaped my perspective on civic responsibility and left me with a strong desire to contribute more meaningfully to your cause. Now, equipped with stronger analytical and operational capabilities, I am eager to return—this time bringing deeper research and data skills to support your impactful programs.

Professionally, I have worked at **Strabag India** on a ₹27+ crore metro project for DMRC, where I led process improvements, developed reports and dashboards, and optimized financial workflows. These experiences honed my ability to manage large datasets, structure information, and deliver insights that inform action—skills I'm confident will support CRY's research and backend operations.

What excites me most about this internship is the opportunity to combine **heart-led social impact** with **data-driven execution**. I believe in CRY's long-standing commitment to equity and change, and I would be honored to support your efforts through this hybrid role.

Thank you for considering my application. I would be delighted to further discuss how my background and skills align with CRY's ongoing initiatives. I look forward to the opportunity to contribute once again to this inspiring movement.

Warm regards,

Ata Mohammad

Ata Mohammad

Professional Summary

Motivated MBA candidate specializing in **Finance and Operations** at Jamia Millia Islamia, with 2.5 years of professional experience in project management, stakeholder coordination, and operational optimization on high-value infrastructure projects. Adept in **data analysis, documentation, and research**, with hands-on exposure to **community development** through prior volunteering with CRY. Eager to contribute analytical skills, process thinking, and impact-driven mindset to CRY's mission through research, backend, and operational support.

Education

Master of Business Administration (MBA)

Finance & Operations

Jamia Millia Islamia, New Delhi | *Expected 2026*

Bachelor of Technology (B.Tech)

Electrical and Electronics Engineering

Amity University, Noida | *2022* | CGPA: 7.49

Professional Experience

Engineer – Projects

Strabag India | *May 2022 – Oct 2024* | *Noida*

₹27+ Crore Metro Infrastructure Project (DMRC – BMS Upgradation Phase 1)

- **Project Ownership:** Led end-to-end execution for metro station BMS upgrades, ensuring on-time delivery and budget adherence.
- **Operational Excellence:** Achieved 40% labor cost reduction and 70% installation time savings through workflow redesign.
- **Data Reporting:** Developed real-time dashboards and technical reports tracking KPIs, milestones, and project risks.
- **Financial Oversight:** Streamlined billing and invoicing cycles, improving cash flows and reducing client payment delays.
- **Vendor Coordination:** Managed multi-vendor procurement and material delivery timelines aligned with SITC schedules.
- **Risk Mitigation:** Identified and resolved on-site process inefficiencies, reducing delays and rework.
- **Client Relationships:** Built trust with DMRC officials, accelerating approvals and resolving escalations efficiently.
- **Governance Compliance:** Created and maintained technical documentation for audits, FAT, and client submission.

Digital Marketing Intern

ClearExam | *May 2021 – June 2021* | *Remote*

- **SEO Optimization:** Conducted keyword research and improved metadata, contributing to a rise in organic traffic.
- **Performance Tracking:** Used Google Analytics to assess campaign KPIs and bounce rates for ongoing optimization.
- **Content Development:** Created educational resources for students, improving session engagement and accessibility.

Volunteering Experience

Volunteer – SPRINT Program

Child Rights and You (CRY) | *Aug 2021 – Oct 2021* | *New Delhi*

- **Community Outreach:** Educated families and children about child rights, health, and education through online channel.
- **Awareness Campaigns:** Designed and distributed low-literacy brochures to increase access to learning materials.
- **Survey & Reporting:** Tracked school dropouts and documented education gaps to support CRY's program strategies.
- **Digital Fundraising:** Led online outreach initiatives to raise funds for underprivileged children's education.
- **Stakeholder Engagement:** Collaborated with local people to strengthen ground-level implementation and resource sharing.
- **Advocacy Training:** Gained legal and institutional knowledge on child protection laws via CRY-led workshops.

Skills

Finance & Strategy: Financial Reporting, Budgeting, ROI Analysis, Investment Analysis

- **Operations:** Project execution, vendor management, SOP standardization
- **Research & Data Tools:** Excel (Advanced), Power BI, SPSS, PowerPoint, Google Analytics
- **Project Management:** End-to-end execution, vendor alignment, risk mitigation, stakeholder reporting.
- **Valuation Techniques:** Exposure to financial modeling, ratio analysis, ROI evaluation
- **Consulting Readiness:** Problem-solving, cross-functional coordination, executive presentation development.
- **Communication:** Stakeholder management, technical report writing, clear articulation of insights.
