

Dear Team,

Hope you are doing well!

I am Rajlaxmi from Bangalore. I'm interested to do an internship with CRY.

I am a finance professional with 10 years of experience in the investment management services industry. Specialized investment reporting and documentation. I have experience working on products like mutual funds with multi national companies. Previously I've volunteered for CRY where I designed a word puzzle using online tools for which I was appreciated. I've volunteered at Art of living yoga events. I'm a yoga teacher and I can help with designing some basic instructions for teaching kids. I've also volunteered for poster designing during covid to raise funds with Smiles foundation.

I believe my skills will be valuable and looking forward to volunteering for 4-6 weeks this time. .

Best regards,

Rajlaxmi Patil
