SUMMARY

Recent graduate with a Bachelor's in Psychology, actively seeking internships or entry-level opportunities in marketing. Equipped with a strong understanding of consumer behavior, audience engagement, and communication strategies. Eager to contribute to creative campaigns, brand storytelling, and digital outreach efforts in dynamic marketing teams.

EDUCATION

B.Sc. Psychology | PSG College of Arts and Science | 2022 - 2025

INTERNSHIP

Campus Ambassador | Heart and Mind | Nov 2024 - Jan 2025

Executed campus-based awareness campaigns to enhance brand visibility and student engagement for a mental health initiative. Contributed to social media growth by increasing reach, promoting events, and driving participation through targeted content distribution and peer outreach.

CERTIFICATIONS

- **Entrepreneurship Development** | 2023 - 2024
Developed foundational knowledge in entrepreneurship and marketing, including customer segmentation, branding, pricing strategies, distribution channels, and promotional planning for business growth.
- **Strategic Human Resource Management** | Feb 2023 - Mar 2023
Gained basic understanding of strategic HR practices including talent acquisition, performance management, employee engagement, workforce planning, and aligning HR strategies with organizational goals.
- **Project Management Fundamentals**
- **Data Analysis using SPSS**
- **Tool Development in Psychology**

EXTRA-CURRICULAR ACTIVITIES

- **Volunteer** | Girl Up Fembots - Part of the marketing and social media team for an event called BTC (Beyond The Colours) aided in event promotion and audience engagement across digital platforms.
- **Team Leader** | Social Immersion & Community Engagement Activity - Led a student group in a community-based initiative aligned with a UN Sustainable Development Goal (SDG), overseeing fieldwork coordination and on-ground execution.
