I'm passionate about conducting legal research, raising awareness, and supporting grassroots advocacy to protect and empower children's rights.

WRITING | READING | SPORTS

In college, I wrote articles on chess strategy, legal loopholes in marital-rape law, economic trends, and child-rights awareness. I am interested in reading as well. Some books I read were *To Kill A Mockingbird*, *Child Rights in India* by Asha Bajpai, and *Jane Eyre* by Charlotte Brontë.

In sports, I enjoy playing chess, badminton, basketball, and volleyball.
