Professional Summary

I am a dedicated law student currently pursuing a B.A. LL.B. from the Central University of South Bihar. I have a strong interest in legal research and writing, and I am actively seeking opportunities to apply my skills in real-world legal contexts. My goal is to contribute meaningfully to the legal field through diligence, critical thinking, and effective communication.

Education

B.A. LL.B. (Hons)

Central University of South Bihar

Ongoing

Work Experience

Legal Research and Writing (Academic/Personal Projects)

As a law student, I have independently conducted various legal research and writing assignments, including case analysis, legal essays, and articles on contemporary legal issues.

- Conducted in-depth research on constitutional and criminal law topics.
- Written analytical pieces on landmark judgments.
- Engaged in classroom debates and moot court preparations.

Skills

- Strong legal research and analytical abilities
- Effective written and verbal communication in English
- Critical legal thinking

- Knowledge of Indian constitutional and criminal law basics

Languages

- English Fluent
- Hindi Native

Additional Information

- Actively building a professional presence on LinkedIn
- Open to internships, research assistant roles, and volunteer legal work
