PROFILE

Dedicated and result-oriented tutor specializing in History, Geography, and Political Science for classes 9 to 12, as well as CUET and Jamia entrance preparation. Proven track record of helping students achieve academic success through a modern, student-centric teaching approach. Adept at simplifying complex concepts, encouraging critical thinking, and fostering active participation in the classroom. Committed to creating a dynamic learning environment that blends traditional knowledge with contemporary perspectives. Experienced in personalized guidance, with several students successfully securing admission into prestigious institutions..

WORK EXPERIENCE

- Provided personalized home tuition in History, Geography, and Political Science to over 10 students from classes 9 to 12.
- Designed tailored lesson plans based on individual learning needs and academic goals.
- Successfully guided students in CUET and Jamia entrance exam preparation, with several achieving top results.
- Fostered an interactive learning environment focused on conceptual clarity and critical thinking.
