2023–2024

Visited multiple orphanages and rural education centers

Participated in activities with children including performing , entertaining and basic education

Assisted in organizing donation drives and interactive sessions

Developed strong interest in working with underprivileged children

Why I Want to Intern at CRY

I have always believed that every child deserves equal opportunities, a safe environment, and someone who listens to them. As a law student, I am passionate about justice and equality, and I wish to work directly with children, understand their challenges, and support them emotionally and socially. This internship will allow me to grow while also making a difference.

Availability

Fully available for the entire month of August 2025

Open to both in-person and remote engagements as per CRY's requirements
