

NIRATI KATIYAR

About me

Purpose-driven professional with a background in social work, engineering, and entrepreneurship. I am experienced in project planning, execution, documentation, and working with diverse stakeholders. Passionate about sustainability, I strive to support communities while fostering my love for nature and animals.

Work Experience

May '25
-
Present

Earth5R

Project Management Intern (Remote)

- Leading outreach for BlueCities by engaging with sustainability experts, sustainability startups, IITs, investors, etc.
- Managing virtual meetups: research, speaker coordination, moderation, and follow-ups.
- Delegating tasks, tracking intern progress, and maintaining detailed project reports and data.
- Contributed to the Organic Farming Project: conducted research, coordinated with NGOs and FPOs, and led stakeholder meetings.
- Trained interns on FPOs and the organic farming ecosystem.
- Managed data on farming stakeholders for documentation and collaboration.
