About Me

Dedicated and compassionate Social Worker and Social Entrepreneur with a multidisciplinary academic background in Commerce (BCom, MCom) and Social Work (MSW) from Barkatullah University. Proven track record in community development, youth empowerment, and implementation of grassroots social initiatives. As a National-level Sports Player, I use sports as a tool to promote leadership, discipline, and holistic well-being. Skilled in managing social programs, fostering community partnerships, and advocating for marginalized populations. Passionate about driving sustainable social change through inclusive development strategies.
