

EDUCATION

Year	Degree/Exam	Institute	CGPA/Marks
2026	M.TECH Dual Degree 5Y	IIT Kharagpur	8.31 / 10
2021	ISC	Carmel Junior College, Jamshedpur	99.0%
2019	ICSE	Carmel Junior College, Jamshedpur	97.4%

INTERNSHIPS

Blinkit (Zomato) Product and Analytics Intern Gurgaon, India	May'24 - Jun'24
•Pioneered development of a Vendor portal for 150+ mid-mile fleet vendors after performing thorough user research •Cut billing time by 60% and achieved 100% fleet and cost visibility by designing efficient functionality for the portal •Applied Design thinking to finalize product requirements and created 20+ wireframes for desktop and mobile versions •Enhanced truck loading time predictions by 55.5% by developing an EDT Model for the warehouses and dark stores	
CarDekho Group Strategy Intern Manilla, Philippines (remote)	Nov'23 - Dec'23
•Analyzed 8+ industry parameters in detailed research on the Indonesian and Philippine General Insurance industry •Assessed Insurance penetration and premium growths of 10+ business lines for identifying gaps in these markets •Worked with the Chief People's Officer in estimating revenue and developed expansion strategies for the countries	
Ernst and Young ESG Data Intern Gurgaon, India	Dec'23 - Jan'24
•Improved CO2 equivalent calculation time by 30% by introducing API-based and Excel automation at various levels •Enhanced and standardized client data handling processes using automation on datasets with over 15000+ entries •Utilized BingMap API, Web Scrapping methods and Geocoding to obtain supplier information for 'Scope 3 Cat. 4' data	
TATA Steel Analytics Intern Kolkata, India	May'23 - Jun'23
•Analysed and Visualized sales data of 7700+ domestic TISCON dealers, spanning over three financial years in time •Captured 100% of sales time series in growth calculation, replacing the CMGR Method with an efficient MA Model •Experimented with 10+ methodologies including EMA, KAMA, VIDYA, HMA, to better capture growth from series •Evaluated dealer activity taking into account key performance indices like consistency, volume, and stability in sales	

POSITIONS OF RESPONSIBILITY

Executive Director 180 Degrees Consulting, IIT Kharagpur	Dec'21 - May'24
•Held the highest position of responsibility in a 70+ member organisation providing quality consulting services •Led the Growth &Marketing wing, improving follower count for the organisation by 148% with strategic content •Handled 8 projects worth INR 300k+ in FY 23-24, thus achieving a 600% Y-O-Y growth in organisational revenue •Conducted and managed recruitment process for a pool of 1200+ freshers including training of 40 new recruits	
Design and Media Subhead Kshitij (Annual Techno - Management Fest) , IIT Kharagpur	Aug'22 - Jun'23
•Ideated and designed 15+ digital assets using Adobe creative cloud, boosting social media engagement by 10% •Improved follower count for the fest by 4.8k+ with engaging branding content, while ensuring a consistent theme	

PROJECTS

IIT Kharagpur Centre of Excellence in Artificial Intelligence Project Intern	Dec'22 - Jun'23
Objective: Predicting effect of Earnings call conference on the stock price volatility of companies (text + audio) •Collected stock data for 290+ companies along with call transcripts and audio information to structure the dataset •Achieved MSE of 1.06 by building a Multi-Modal Deep Regression Model (MDRM) using Contextual Bidirectional LSTM •Experimented with FinBERT, RoBERTa and BERT base uncased NLP models for potential improvements on MSE	
IISc Bangalore Dept. of Computational and Data Sciences Research Intern	May'23 - Jul'23
Objective: To find best methods to convey crystallographic information to ML Models for property prediction •Researched on methods to form fully symmetrized descriptors for atomistic representations in ML models •Compared key concepts in Materials Property Predictions, including CGCNN, SISO Model and Active ML Workflows	

COMPETITION/CONFERENCE

Hult Prize On Campus Hult Prize Foundation Bronze	Jan'24
•Pitched "Ujjwal", a revolutionary start up aiming to eradicate Manual scavenging using cost effective technology •Developed a scalable Business model and crafted Go -To - Market Strategy for the novel idea fulfilling 5 UN SDGs	
ProdWars Product Case Study Avenues'24 SJMSOM IIT Bombay Silver	Nov'24
•Strategised an acquisition strategy for Adobe, paralleling Canva and Figma and emphasizing on integrability	

EXTRA CURRICULAR ACTIVITIES

•Volunteering: Led Financial empowerment of 60+ rural women by teaching them to sell decorated earthen lamps •Cultural: Awarded Diplomas in Fine Arts and Indian Classical Vocals after 8 and 4 years of training and performances •Sports: Underwent intensive training as a part of the Athletics division of National Sports Organisation (NSO)
