A BSc IT student with passion for the field of **Machine Learning & Artificial Intelligence**. Proficient in **programming, data handling, and model building**. Dedicated to learning and making valuable contributions to innovative AI-based solutions.

SKILLS

- Programming in C/C++, Java, Python
- Machine Learning
- SQL Querying
- Pandas, Numpy
- Data Analysis
- Teamwork and Collaboration
- Adaptability
- Curiosity to Learn

ACADEMIC PROJECTS

InPhishible: Phishing Email Detection Browser Extension | 2025

- Created a browser extension that detects phishing emails in real-time based on machine learning.
- Trained models with a dataset of ~5,000 emails by studying headers, body content, and URLs.
- Implemented the solution within an interactive tool to promote cybersecurity awareness and minimize phishing threats.

Instagram Clone | 2024

- Developed a social media web application with Spring Boot, React, and MySQL, incorporating user authentication, post posting, likes, and comments.
- Designed a responsive UI and used APIs for seamless frontend-backend interaction.

Music Recommendation System | 2023

- Developed a song recommendation system based on cosine similarity on a dataset of 5,000+ songs.
- Incorporated Spotify's Spotipy API to obtain music information and offer automatic suggestions.
- Created a graphical dashboard for interactive use and playlist recommendations

EDUCATION

- Bsc in Information Technology | NMCCE | 2025
- XII (HSC) | Shri T P Bhatia College of Science | 2022
- X (SSC) | Aspee Nutan High School | 2020

CERTIFICATIONS

- Advance Learning Algorithms | Deeplearning.ai | July '25
- Supervised Machine Learning: Regression and Classification | Deeplearning.ai | July '25
- Unsupervised Learning, Recommenders, Reinforcement Learning | Deeplearning.ai | July '25
- Robotics Process Automation with Automation Anywhere | NMCCE | Aug '24

CO-CURRICULAR ACTIVITIES

- Participant - 2nd AI/ML Challenge | IIT Madras Shaastra | Oct '24
- Peer Teaching Organizer | NMCCE | Apr '24
- Executive Member, Creatives | NM Arthashastra | Feb '23
