SUMMARY

A Motivated and detail-oriented introvert graduated with a Bachelor's degree in Commerce (Banking and Finance, 2022), passionate about management and technology consulting. Strong foundation in financial principles, data analysis, and business strategy, complemented by growing proficiency in tools such as Excel, SQL, Python, Tableau, and Power BI. Eager to apply analytical thinking and collaborative problem-solving skills in dynamic environments. Actively seeking internships, apprenticeships, or entry-level roles in consulting where I can contribute to impactful projects and continue developing industry-relevant expertise.
