9354335242

New Delhi, Delhi

I'm a passionate and driven individual with hands-on experience in teaching, content creation, and digital marketing. I've contributed to social impact initiatives during the COVID-19 pandemic, which deepened my commitment to meaningful work. My academic background and teaching roles have strengthened my communication skills, while my interest in technology and innovation keeps me constantly learning and evolving.

Work Experience

Science Teacher

Apr 2024 - Present

Local Coaching Centre | Delhi, India

Taught Science to 9th and 10th-grade students with a focus on conceptual clarity. Developed interactive lesson plans and assisted students in exam preparation. Improved student performance through tailored guidance and mentorship.
