SKILLS & EXPERIENCE

Advocacy & Volunteering

- Active member of the **Interact Club**, where I engaged in outreach activities focused on social welfare.
- Volunteered at the **Little Sisters of the Poor Foundation**, organized a day-long event and performance for underprivileged children to spread joy and comfort.
- Was a passionate member of the **Nature Club**, where I participated in awareness drives advocating for environmental sustainability and youth involvement in climate action.

Leadership

- Served as **Senior Prefect**, leading student initiatives, coordinating with faculty, and mentoring juniors.
- Served as **Swim Team Captain**, responsible for motivating team members, coordinating practices, and representing the school at inter-school competitions and my state at the national level. Played a key role in developing resilience, teamwork, and accountability
- Demonstrated strong ability to connect across age groups, foster inclusivity, and lead with empathy.

Graphic Design and Pamphleteering

- Designed menus and **marketing materials** for the cloud kitchen startup “Dui Beyaner Heshel”, gaining hands-on experience with visual storytelling and branding.
- Comfortable with basic graphic design tools and pamphleteering for awareness campaigns
- Sample of my work: [Here](#)

Communication, Writing & Research Skills

- **Strong writing and research abilities** developed through school projects, club activities, and independent work.
- Comfortable drafting reports, scripts, and awareness content with clarity and purpose.
- **Fluent in English and Bengali**; with conversational proficiency in Hindi, allowing me to engage with diverse communities and adapt communication styles accordingly.
