Nagpur, India • 8956714168 • rkumbhare0172@gmail.com
<https://www.linkedin.com/in/rahul-kumbhare-18ab02220>

Data-driven and creative individual currently pursuing MBA at IIM Sambalpur. Experienced in backend operations, data analysis, and poster designing. Internship experience at Siemens with hands-on practice in analytics, Agile methodology, and project coordination. Passionate about using design and analytics for social impact and organizational support.

EXPERIENCE

JPMorgan Software Engineering Virtual Experience Program on Forage June 2023- July 2023
Intern

- Collected, sorted, and input information into database system.
- For process monitoring and reporting, tracking spreadsheets were created and updated.

Siemens Technology and Services Private Limited March 2024 - July 2024
Technical Intern

- I gained hands-on experience with the IBM Jazz ecosystem, utilizing tools for requirement management, change management, test management and report building.
- I acquired a solid understanding of Agile methodologies, including Scrum and SAFe, and actively participated in daily stand-up meetings, which improved my communication and collaboration abilities in a team-oriented environment.
