SUMMARY

I'm an enthusiastic and organized individual with a passion for psychology, education, and youth development. I have strong skills in research, communication, and mentoring, and I love helping others grow both academically and personally. I thrive in collaborative environments and am eager to contribute my skills while learning and growing alongside a dedicated team.

WORK EXPERIENCE

Curriculum and Content Intern

Nudge2Grow

07/2025 - 08/2025

- Explored Britannica-style calendars and developed monthly themed educational calendars based on a similar format
- Designed curriculum content for non-academic areas, tailored to different age groups
- Compiled and structured a comprehensive school database to support curriculum planning and outreach

Super Mentor

Claylab education Foundation

05/2025- Present

- Manage and support multiple mentee-mentor pairs to ensure effective relationships and progress.
- Provide support and training to new mentors, and monitor progress across pairs.
- Facilitate communication and learning between pairs to enhance overall mentorship outcomes.

Mentor

Claylab education Foundation

07/2024- Present

- Monitored and evaluated mentees' progress, providing feedback and guidance to ensure success.
- Provided advice to mentees on career paths, job opportunities and educational options.
- Conducted regular one-on-one meetings with each mentee to discuss challenges, successes and goals.

Graphic Intern

Pehchaan The Street School

07/2024-10/2024

- Designed visually compelling graphics for campaigns, social media, and promotional materials, contributing to increased awareness and engagement.

Research Intern

Miranda House, DU

06/23 - 07/23

- Conducted literature reviews to identify key areas for further research.
- Animal handling (*Drosophila melanogaster*)
- Scientific Poster creation and presentation
- Compiled the research findings and analyzed them.
