ABOUT ME

I am a dedicated professional committed to delivering my best work in every task. With a proactive attitude, strong problem-solving skills, and a focus on continuous growth, I strive to exceed expectations and contribute to the team's success and company goals.

EXPERIENCE

2019 - 2021

Freelance Work

Designed intuitive and user-friendly interfaces for various clients, focusing on enhancing user experience through responsive design and wireframes. Collaborated with clients to ensure their vision was effectively translated into functional, visually appealing designs.

2021 - 2022

Academic Projects

Designed and developed a user-friendly e-commerce website for grocery stores, integrating secure payment systems, product categorization, and an intuitive shopping experience to enhance customer satisfaction and streamline online orders.

2022 - 2024

Investing

Proactively engaged in stock market and Bitcoin investments, analyzing trends to make informed decisions. Experienced in domain flipping, identifying valuable digital assets and successfully negotiating sales for profit. Demonstrated strong market analysis and negotiation skills.
