CGPA- 9.39

Skills

- Leadership
- Research Skills
- Communication skills
- Team Building
- Adaptability and Flexibility

Projects

- Menstrual Leave: A Case for Special Provision in Indian Constitution**
Conducted an in-depth analysis on need for provision of menstrual leave policies in India.

Designed and administered a questionnaire to assess awareness and attitudes towards menstrual leave among 120 employees across diverse professions.

Examined constitutional provisions, labor laws, and gender rights frameworks to advocate for menstrual leave as a fundamental right.

Presented data-driven recommendations for policy reforms to promote inclusivity and workplace equity.
