SUMMARY

I am a biochemistry graduate eager to contribute to advancing global health through cellular research, disease prevention and innovative diagnostics. With a solid foundation in chemical compositions, standard testing procedures, and hands-on experience in product development, I excel at optimizing lab protocols and ensuring accurate results.

My strong communication skills enable me to convey complex concepts to non-technical audiences effectively. Recognized for my teamwork and leadership abilities. I thrive in collaborative environments and committed to making a positive impact in the field of health science.

- Performed a variety of biochemical, Immunochemical diagnostic tests.
- Managed root cause investigations of out of specification results and calibration failures.
- Prepared chemical solutions, reagents, and specimens for microscopic examination, perform laboratory tests, analyze and report findings.
- Standardized and evaluated molecular techniques (PCR) for the Qualitative and Quantitative detection of pathogens.
- Restocked laboratory work stations and sterilized surfaces to maintain readiness for any project.
- Collaborated with other trainees to develop new methods and technologies for biochemical studies.
- Worked with snail mucin, Indian ginseng root and developed new research understandings.

CERTIFICATION

NPTEL certification on Bioinformatics - 2024

NPTEL certification on Soft Skills - 2024

Basics of Nutraceuticals – 2023, PSG College of Arts & Science

Animation and Graphics 101 – 2023, PSG College of Arts & Science

EDUCATION

Bachelors of Science,
Biochemistry

PSG College of Arts & Science

08/2022 – 05/2025

TECHNICAL COMPETENCIES

- Laboratory equipment calibration
- Equipment management
- Chromatography
- Cell culture
- Spectrophotometry
- Gel Electrophoresis
- Polymerase Chain Reaction(PCR)
- Fermentation
- ELISA Assays
- Microscopy
- Adobe Illustrator

PEOPLE SKILLS

- Agile Learner
- Creative
- Analytical Thinker
- Problem Solving
- Workflow Management
- Attention to Detail
