Masters on social work from Indira Gandhi National open University.

Experience

Internship and Fundraiser

I completed my internship with the renowned organization name CINI.

Duration of my internship was 45 days.

I learnt some basic to advance things on our social life I worked with Street child, their parents. I understand their basic needs, their relationship with their parents, with the society. I also done participation on world environment day.

I also done some fundraiser work during my school days . I worked with SMILE and HELPAGE INDIA Foundation as a fundraiser.

Awards and Acknowledgements

Silver medal.

I got my silver medal for the second position on my university.
