SUMMARY

Law student at Jammu University (LL.B, 2025–2028), transitioning from a successful background in Business Administration and Sales to the legal field. With 2+ years of experience in research, negotiation, client engagement, and stakeholder management. I bring strong analytical, communication, and problem-solving skills. Experienced in drafting, process management, and building long-term partnerships, I am now seeking entry-level legal internships to apply my business acumen and global exposure in a legal context while developing practical expertise in corporate, commercial, and business law.
