ABOUT ME

I am Sunanda, a 19-year-old B.A. (Hons) Psychology student at Indraprastha College for Women, University of Delhi, with a keen interest in digital communication and audience engagement. My background in psychology helps me understand user behavior and craft content that connects meaningfully. I am passionate about social media strategy, creative content creation, and building impactful online presence for brands, organizations, or causes.

EDUCATION

2017 - 2024

JB Academy

Schooling

I completed my schooling at a private institution in my hometown, Ayodhya, Uttar Pradesh, with a focus on Commerce and Psychology in my 10+2.

2024 - 2027-28

Indraprastha College
for Women, DU.

B. A. (Hons) Psychology

I am currently pursuing B.A. (Hons) Psychology from IPCW, DU. And im quite interested in human psychology.

EXPERIENCE

May, 2023 - May, 2023

Rajkrishna Neuro
Psychiatric Centre

Psychology Intern

I worked at Rajkrishna Neuro Psychiatric Centre in Ayodhya, where I was supposed to record case history and identify symptoms of the patients.

Sep, 2024 - Present
Pehchaan The Street
School (Trust)

Teaching Intern

I worked as a teaching intern at Pehchaan Street School Trust, where I was responsible for teaching and engaging with young children.

Oct, 2024 - May, 2025

Silsila Heritage

Social Media Intern

I worked as a Social Media Intern at Silsila Heritage, where I designed posts and stories for their Instagram account. Used Figma for Maximum projects.

June, 2025 - July, 2025

Titli Foundation

Social Media Intern

I recently joined the Titli Foundation as a Social Media Intern, responsible for creating posts and stories for their Instagram account.

August, 2025 - Present

Metvy

HR Generalist

I recently joined Metvy as an HR Generalist Intern where we are expected to do scouting and Interviews.
