SUMMARY

As a Portfolio Management Intern at Altruist Technologies Pvt. Ltd., my focus has been on leveraging strategic planning and strong analytical skills to drive market analysis efforts. With a background in Mechanical Engineering from the prestigious Birla Institute of Technology and Science, Pilani, where I'm in the final stages of earning my BTech, I've honed competencies that enable me to dissect complex market dynamics. Previously, as an Analyst at GRASIM INDUSTRIES LIMITED, I contributed to impactful projects that required precision and a deep understanding of industry trends. My education and experiences have equipped me with a keen aptitude for aligning financial strategies with market shifts, ensuring that our team's portfolio management approaches are robust and forward-thinking.
