ABOUT ME

Motivated and socially responsible student eager to contribute to community development initiatives. Seeking an internship with an NGO to apply leadership, organizational, and communication skills while learning more about grassroots impact and social change.

EDUCATION

2022 - 2026	BTech in Computer Science Technology
GH Rasoni College of Engineering and Management	CGPA : 7.4
2022 - 2026	10th & 12th
Balaji Convent	87.40% & 75%

EXPERIENCE

- Leadership Roles**
Led project teams during hackathons and college fests, ensuring smooth coordination and timely completion. Guided peers in academics and career development, fostering collaborative growth.
- Community & Social Involvement**
Participated in college-level events promoting awareness and collaboration. Assisted peers in learning and mentoring, reflecting a spirit of sharing knowledge. Interested in contributing to education, youth empowerment, and awareness campaigns.
- Volunteer Internship – Kalpavruksh tree foundation(2024)**
Participated in tree plantation drives, contributing to environmental conservation and awareness. Learned teamwork and responsibility by collaborating with volunteers and foundation members. Engaged with local communities to promote eco-friendly practices and the importance of green cover.

SKILLS
