SUMMARY

As a second-year student of Psychology and Sociology, I am deeply fascinated by the complexities of human behavior and social structures. My academic journey has strengthened my understanding of how individual minds interact within broader organizational and community contexts. Driven by a passion to apply this knowledge practically, I am eager to contribute to internship roles where I can support employee well-being, promote inclusive social environments, and engage in meaningful research that bridges theory and real-world impact.

EDUCATION

St. Xaviers College <i>B.A. Psychology, Sociology</i> CGPA: 9.36	Mumbai 2024- present
Mount Carmel School <i>Class XII (AISSCE)</i> Percentage: 92.4%	New Delhi 2022-2024
