

Yashraj Potale

Male, 25years

Department of
Management Studies
NALSAR University of Law

EDUCATIONAL QUALIFICATIONS			
MBA	DoMS, NALSAR, Hyderabad	-	2027
B Pharmacy	SCPER, Kopargaon, Maharashtra	76.45%	2024
Class XII,	Sri Chaitanya Junior kalasala, Hyderabad	78.29%	2018
Class X, State Board	Triveni Talent School, Hyderabad	83.58%	2016
ACADEMIC & CO-CURRICULAR ACHIEVEMENTS			
▪ Presented oral presentations at the <i>International Conference on Health Research and Allied Sciences (ICHRAS)</i> , LPU			2024
▪ Provided scholarly contributions through book chapters on IPR, Caspase-7, and Global Health Innovations			2022
▪ Filed 6 patents diverse and innovative areas, demonstrating creativity, problem-solving, and application-oriented thinking			2024
▪ Presented a scientific poster at the <i>International Conference on Pharmacy (ICP)</i> , Lovely Professional University			2023
▪ Filed 5 copyrights for original creative works spanning multiple domains, reflecting versatility and innovation			2023
PROJECTS & RESEARCH PAPERS			
Academic Projects	Design and Evaluation of the diagnostic protocol for the detection of PCOS		Aug '24
	▪ Designed and evaluated a comprehensive diagnostic protocol improving the early detection of PCOS		
	▪ Developed an evidence-based diagnostic framework integrating clinical and imaging markers for PCOS		
Research Papers	▪ Assessed diagnostic markers and biomarkers to enhance accuracy in PCOS detection and early diagnosis		
	Unravelling the Impact of Human Papillomavirus (HPV)		Aug '24
	▪ Explored the association between HPV infection and the development of cervical and other cancers		
	▪ Evaluated preventive strategies, including vaccination and regular screening, for effective HPV control		
	▪ Recognize the health importance of awareness and early detection in reducing HPV-related disease burden		
	Phonophoresis in Physiotherapy: Emerging Trends for Enhanced Drug Delivery		Aug '24
	▪ Evaluated the effectiveness of phonophoresis and it compared to the conventional therapeutic modalities		
	▪ Understand the principle of phonophoresis and its role in enhancing transdermal drug delivery in physiotherapy		
	▪ Explore emerging trends, applications, and future prospects of phonophoresis in clinical rehabilitation		
	Exploring the Pharmacological Potential of Naringenin and its Nanoparticles		Aug '24
Live Project	▪ Explored pharmacological benefits of naringenin including anti-inflammatory and potential anticancer properties		
	▪ Investigated how nanoparticle-based delivery systems enhance bioavailability therapeutic efficacy of naringenin		
	▪ Investigated the potential of naringenin nanoparticles for innovative applications in drug development		
	Exploring Herbal Remedies for Anti-Leishmanial Activity		Aug '24
	▪ Explored the potential of herbal remedies as the therapeutic approaches for treating leishmaniasis		
Live Project	▪ Evaluated key phytochemicals for their anti-leishmanial activity and their therapeutic potentials in the treatment		
	▪ Explored future prospects of the herbal medicines in anti-parasitic drug development in treatment		
	Quality by design endorsed fabrication of Xanthohumol loaded solid nanostructured lipid carrier based powder for effective treatment of Alzheimer's disease in rats		Aug '24
	▪ Studied the application of (QbD) principles in the systematic development and optimization of nano formulations		
	▪ The role of xanthohumol nanostructured lipid carriers in enhancing therapeutic strategies for Alzheimer's disease		
Live Project	▪ Evaluated effectiveness of nano-based drug delivery systems in animal models to assess therapeutic potential		
	Caspase as Molecular Targets for Cancer Targets		Aug '24
	▪ Examined the critical role of Caspase-7 in apoptosis regulation and cell signaling pathways for cancer targets		
Live Project	▪ Identified key mutations in Caspase-7 and analysed their impact on its structure and functional role in apoptosis		
	▪ Explored potential activators of Caspase-7 their therapeutic implications in apoptosis regulation		
POSITIONS OF RESPONSIBILITY			
DOMS NALSAR	ARC- The Alumni Relations Cell of DoMS NALSAR		Aug '25 – Present
	▪ Member of Alumni Relations Cell, facilitating communication between alumni and the institution		
DOMS NALSAR	▪ Contributed to strengthening alumni–student relations by fostering engagement, networking		
	EXTRA-CURRICULAR ACTIVITIES		
Sports	▪ Judged 12 inter-department badminton games, ensuring fair play and rule compliance for 200+ participants		
Certifications	▪ Active badminton player with experience in multiple tournaments at competitive levels		
	▪ Actively participated in the MEDHA Hackathon, contributing innovative ideas and collaborative problem-solving		
Interests	▪ Keen interest in content creation, travel reflecting skills in collaboration, creativity, and adaptability
