

Jess Pandey

Kolkata, India | (+91) 62901 59154 | jesspandey7@gmail.com | [[linkedin.com/in/jesspandey/](https://www.linkedin.com/in/jesspandey/)]

English literature student with 2+ years of part-time experience as a working student in operations, outreach, and remote team support. Skilled in communication, CRM, and content workflows.

PROFESSIONAL EXPERIENCE

AI Maturity Index — *Operations Manager*

January 2025 – Present

- Managed daily ops across Gmail, HubSpot, Lemlist, LinkedIn, and Notion — including inbox handling, CRM tracking, appointment coordination, and lead follow-ups.
- Coordinated campaigns, workshops, mentoring sessions, and external meetings across global events (e.g. Web Summit, South Summit).
- Executed structured outreach via email, LinkedIn, and event platforms; enriched leads using LinkedIn Sales Nav and Clay.
- Created and maintained GPT-powered assistants, feedback bots, and automated QnA tools for support, outreach, and internal ops.
- Managed integrations across Lemlist, HubSpot, Mailgun, Clay, and internal systems; resolved technical issues and provided troubleshooting support.
- Wrote LinkedIn posts, Beehiiv newsletters, outreach sequences, onboarding docs, and structured response templates.
- Maintained Notion-based documentation, guest tracking, and campaign sheets for internal coordination and reporting.
- Managed outreach and follow-up with AI consultants, journalists, and contributors for visibility across events, media, and expert sessions.
- Provided onboarding and community engagement via Slack, structured client feedback loops, and dedicated support touchpoints.

Remote-how / Remote-First Institute — *Operations Associate & EA to the CEO*

April 2023 – December 2024

- Provided daily executive support to the CEO, managing inboxes (Gmail, LinkedIn), calendars, meeting prep, and follow-ups.
- Assisted in operational coordination across Remote-how and its nonprofit arm, Remote First Institute.
- Supported early-stage CRM workflows, lead tracking, and outreach efforts for mentoring and event-based programs.
- Drafted internal communication, event summaries, and partner-facing updates to support async collaboration.
- Helped manage Notion-based documentation, scheduling systems, and internal task tracking.
- Built workflows and communication templates that later shaped operational systems at AIMI.

Freelance Content Writer — *Remote*

April 2023 – Present

- Freelance content support for creators and startups — ghostwriting short-form posts, editing outreach messages, and structuring newsletters/blogs.
-
