Community Service	Awareness Campaign Volunteer	2023
	Took an active part in school-led awareness campaigns focused on social and environmental causes. Played a visible role in engaging peers, creating posters, and spreading awareness on issues like mental health and sustainability. Developed public communication and teamwork skills through consistent involvement.	
	AASRA WELFARE ASSOCIATION	2024-Present
	Meal Support Initiative (via school)	
	Contributed to a school initiative in partnership with Aasra Welfare Association to provide daily meals to underprivileged students at Amity University.	
Leadership Positions	Think Tank – Entrepreneurial Leadership Challenge	
	2024	Selected to represent the class in a school-based Think Tank competition focused on innovative business ideas. Collaborated with a team to develop a subscription-based service model. Contributed significantly to the app development aspect of the project, including UI design and feature planning. Delivered pitches to a panel of judges and stakeholders.
Academic Activities and Honors	National Stock Exchange (NSE)—Financial Literacy Webinar	
	2024	Attended an interactive webinar hosted by the NSE, gaining insights into stock markets, trading mechanisms, and financial literacy for young investors.
	Award-Winning Sustainability Project – The Change Project 2024/2025	
	Won First Place in The Change Project 2025 (Senior – Energy Category) for leading the development of a Plasma Technology Project focused on sustainable energy solutions, and Second Place in Research in 2024. Collaborated with a team of A-level students to research, design, and present an innovative model recognized for its scientific merit,	

feasibility, and environmental impact. Demonstrated strong teamwork, critical thinking, and presentation skills in a competitive academic setting.

Cambridge Climate Quest—

Completed Cambridge's Climate Quest program, a curated global initiative on sustainability and environmental literacy. Participated in scenario-based activities, quizzes, and workshops focused on climate change solutions.

2024

Business Studies Subject Topper – AS level

Achieved the highest mark in Business (92%) at AS level, showcasing a strong grasp of marketing, operations, and financial principles.

2023

Mindler Career Simulation—Year 2024

Completed the CA (Chartered Accountant) Career Simulation program offered by Mindler, which provided practical experience of real-life scenarios in finance, accounting, and auditing roles. Developed critical skills in financial decision-making, problem-solving, and understanding of industry challenges while simulating the role of a CA professional.

Demystifying Private Equity Job Simulation—August 2025

Completed the Forage Private Equity Job Simulation, involving practical tasks such as due diligence, deal considerations, and professional communications. Gained hands-on insights into private equity processes and investment decision-making, enhancing understanding of financial industry roles and critical analytical skills.

Melbourne Case Competition – Year 2025

Participated in the Melbourne Case Competition where my team designed a comprehensive financial literacy solution targeting youth in Tier 2 and 3 Indian cities. Developed a business model including a gamified smartphone application and school kits aimed at improving financial literacy among high school and junior college students. Focused on understanding market needs, pricing strategies, marketing outreach, and gender inclusion, while applying critical problem-solving and teamwork skills.

Arts

Annual Day Production Team Lead – School Event

Led the backstage production team for the school's Annual Day, coordinating technical elements like lighting, sound, and stage transitions. Ensured seamless execution through effective time management, leadership under pressure, and attention to detail.

2024

Sports

School Football Team Member

Played for the school football team in Grade 10, demonstrating discipline, strategy, and team coordination on and off the field.

2023

Inter-House Football & Relay Events

Represented the house in inter-house football matches. Also selected as a relay team substitute, reflecting versatility and commitment to team sports.

2023
