PROFILE

Motivated and ambitious second-year English undergraduate at Daulat Ram College, with proven leadership skills with former roles in school clubs. Actively involved in the social media team college Photography Society (FPS), where I hone my creativity and attention to detail through photography and photo editing. Currently seeking an internship to enhance my professional skills and contribute to meaningful projects.

SKILLS

Leadership and Management

- Team Leadership: Successfully led as sponsorship head in college and in school as Head Girl and Vice President, demonstrating strong leadership and decision-making abilities.
- Project Management: Managed various events and activities, ensuring successful execution and participant satisfaction.
- Conflict Resolution: Skilled in mediating disputes and fostering a cooperative environment among peers.

Communication

- Public Speaking: Proficient in delivering speeches and presentations, honed through school leadership roles and academic projects.
- Written Communication: Strong ability to craft clear and compelling written content, developed through English degree coursework and projects.
- Interpersonal Skills: Excellent at building relationships and working collaboratively within diverse teams.

Technical Skills

- Photography and Photo Editing: Experienced in capturing and editing photos, with a keen eye for detail, as a member of the Photography Society (FPS).
- Social Media Management: Skilled in creating engaging content and managing social media platforms.
- Basic Graphic Design: Competent in designing visual materials for presentations and promotional purposes.

Academic and Research

- Research Skills: Proficient in conducting thorough research and synthesizing information, demonstrated through academic assignments and projects.
- Critical Thinking: Strong analytical skills developed through literary analysis and interpretation in English studies.
