

MS. DIYA DHAKAD

PROFILE

I am Diya Dhakad, a 1st-year student pursuing B.B.A LL.B at Symbiosis Law School, Nagpur. I am a highly motivated and compassionate individual seeking an internship with an NGO to contribute to meaningful social change, and I believe having a law background will definitely bring a positive and effective change in society. I want to apply my managerial skills, Research and analytical skills, with problem-solving skills. With these skills, I can develop creative solutions and I want to apply my academic knowledge, which I acquired in law school. Through this internship, I believe that working in an NGO will bring new skills, such as teamwork and advocacy.
