Chanakya PR- Public Relations Intern

- Currently managing 3 client accounts across interior design, healthcare, and IT sectors.
- Building and maintaining targeted journalist and media databases.
- Driving media relations: pitching stories, securing journalist coverage, and following up with journalists, editors, authors, YouTubers, and podcasters.
- Coordinating client communication, preparing updates, and ensuring timely deliverables.
- Supporting campaign execution through press release drafting, media monitoring, and research.
- Participating in client meetings to discuss campaign updates, media strategies, and reporting.
- Collaborating in internal team meetings and brainstorming sessions for campaign ideas and PR strategies.

Master's in Public Relations & Advertising

School of Broadcasting & Communication (SBC), Mumbai | 2024 - 2026

Currently in the final year of a postgraduate program focused on advanced strategies in public relations, corporate communication, media planning, and brand management.

Coursework includes: crisis communication, media relations, campaign planning, consumer behavior, advertising psychology, PR tools & techniques, and integrated marketing communications. **Open to full-time roles in PR, communications, and brand strategy.**

Social Media Consultant

**Project under the Government of Odisha, Higher Education Department
(2023 – 2024)**

- Led content strategy and execution for official government social media and the minister's account, ensuring timely updates on public schemes, policy updates, and important announcements.
- Collaborated with the PRO to draft press releases and distribute to the publication houses, securing regional media coverage for key events.
- Aligned digital messaging with offline media efforts during major campaigns and announcements.
- Managed on-site event coverage, capturing live visuals, conducting interviews, and producing real-time content.
- Led digital campaigns under NUA-O (Nutana Unnata Abhilasha Odisha), promoting initiatives in education, student welfare, and tribal upliftment.
- Handled crisis communication (e.g., pension delays, scholarship issues), reducing public backlash by 90% through empathetic, timely responses.
- Produced high-impact visual storytelling and daily content, achieving 70%+ growth in followers.
- Conducted interviews with students, researchers, and officials to create compelling, human-centered narratives.
- Acted as the key digital liaison between government officials, creative teams, and media partners to maintain consistency in narrative and branding.

AxioBiosolutions

**Marketing Communications, Assistant Manager
(2022- 2023)**

- Led B2B content strategy targeting defense and healthcare sectors, driving brand presence across the website, email campaigns, marketing collaterals & social media (LinkedIn & Twitter).

- Successfully led the content planning and launch of www.axiostatmilitary.com, ensuring alignment with brand tone, target audience expectations, and SEO best practices.
- Developed and executed campaign-specific content calendars tailored for global medical and military defense innovation conferences, enhancing event visibility and post-event engagement.
- Coordinated with R&D, legal team, marketing team, foreign country representatives, and external web development and digital media agencies to ensure timely deployment and accuracy of content across channels.
- Played a pivotal role in reinforcing brand authority and driving engagement through audience-relevant, insight-led storytelling within a highly specialized domain.

LifeCell

Assistant Manager – Digital Content (2020 - 2022)

- Collaborated with a high-performing Digital Media team to lead initiatives across branding, digital advertising, and content marketing.
- Developed high-impact content for web, social media (Instagram, Facebook, LinkedIn, Twitter, Quora, Pinterest), emailers, blogs, and newsletters, tailored for diverse target segments.
- Crafted compelling copy for cross-channel marketing assets—press ads, brochures, flyers, posters, banners, influencer scripts, event invites.
- Worked closely with PR consultants, product managers, sales teams, and in-house experts (doctors, researchers).
- Played a key role in doctor-led campaigns and brand storytelling initiatives, significantly improving public perception, engagement, and inbound interest.
- Mentored senior content executives, led training sessions on digital storytelling and PR-aligned messaging.
- Regularly analyzed campaign metrics and audience insights to inform communication strategies.
- Drove a sharp rise in organic follower growth, brand engagement, and inbound leads—consistently achieving the weekly target of 1,000+ new followers during influencer-led and festive campaigns.
- Enhanced visibility and audience interaction through targeted storytelling, cross-channel consistency, and message amplification, laying the groundwork for sustained social media growth and media outreach.

- Collaborated with celebrity brand ambassadors and mom influencers for event activations, product launches, and social media promotions, enhancing reach and brand credibility among key demographics.
- Strengthened influencer relationships and secured high-visibility content through coordinated campaigns with parenting communities and public figures.
- Supported planning and promotion of webinars, conferences, RTMs, meetups, celebrity events, and corporate collaborations..

VisasandPermits.com – Content Strategist
(2017 – 2020)

- Led cross-functional communications, collaborating with Quality, Sales, and Case Management teams to craft persuasive messaging aligned with brand goals.
- Owned content strategy across digital and PR touchpoints – from blogs and SEO articles to internal comms and public-facing materials.
- Developed and implemented PR-driven content campaigns that built audience trust and reinforced the brand’s credibility in the immigration space.
- Managed ORM and brand reputation on platforms like Quora, Google My Business, Trustpilot, and Facebook, swiftly addressing stakeholder concerns to build goodwill.
- Strategized and executed social media and community engagement initiatives that enhanced visibility and boosted follower growth.
- Drafted policy-based communications in response to global immigration updates, helping position the brand as a thought leader.
- Supported webinars and public-facing campaigns by scripting event content, conducting client interviews for testimonial-based storytelling, and preparing PR-ready collateral.
- Planned and executed Mailchimp-based B2C email campaigns, driving customer engagement through tailored messaging.

- Monitored media and digital trends, contributing to sales team training with pitch-worthy, lead-generating content ideas.
- Tools used: WordPress, Salesforce, SEMrush, Google Analytics, Google Search Console, Keyword Planner.

Temenos +Agility – Content Writer (2015 – 2017)

- Developed SEO-optimized website and blog content that supported both brand storytelling and investor/stakeholder messaging.
- Owned editorial calendar and collaborated with the social media team for consistent multi-platform PR messaging across LinkedIn, Twitter, Google+, Facebook, and more.
- Conceptualized and executed email campaigns (B2B & B2C) and event outreach content aligned with PR and marketing goals.
- Contributed to multimedia strategy by developing and managing audio-visual content used in public events, product demos, and webinars.
- Designed and wrote internal communication material such as brochures, magazines, banners, and newsletters that aligned with the external brand voice.
- Participated in client interviews for testimonials and success stories, supporting reputation-building and media outreach efforts.
- Achieved consistent month-on-month traffic growth through optimized content strategy and multi-platform coordination.
- Enhanced brand visibility by doubling engagement metrics across Facebook & LinkedIn in under 6 months.
- Tools used: HubSpot, WordPress, Mailchimp, Mail Marketer, SendGrid, Mailchimp, SendGrid, Mail Marketer, Google Workspace tools.

Perk.com (Jutera Labs) – Content Executive, Digital Engagement (2014 – 2015)

- Created keyword-optimized, search-friendly content for mobile applications that promoted user engagement.
- Developed engaging, research-driven editorial content across lifestyle categories (travel, books, movies, fashion), helping enhance the platform's public appeal.
- Aligned content tone with brand identity and user expectations, improving retention and reputation metrics.

G.T. Enterprises (Client – Wolfram Alpha) – Content Developer (2013 – 2014)

- Created educational and informative content for Wolfram Alpha's search engine, ensuring factual accuracy and audience engagement.
- Maintained the editorial standard of all published material by overseeing proofreading, quality checks, and fact verification.
- Specialized in crafting content for niche audience segments, supporting engagement across specific user interest areas.
