Object for Internship

- **To gain holistic exposure to child rights and welfare:** I aim to understand the legal and social challenges faced by children, particularly in areas such as **child labour, education, juvenile justice, and protection from abuse.**
- **To strengthen child rights-based legal and research skills:** I wish to assist in drafting legal documents, analysing laws and policies such as the Juvenile Justice Act, POCSO Act, and Right to Education , and conducting research on case laws or legislative gaps affecting children.
- **To contribute towards the care and empowerment of children:** I aspire to actively support initiatives that **ensure every child's right to safety, education, and dignity, while developing a deeper understanding of their needs and circumstances.**

My Contributions To CRY

- I aim to **apply my legal knowledge to understand and address issues affecting children's rights and welfare.**
- I can **contribute through research and analysis of laws, case studies, and policies** related to child protection and education.
- My **previous internship** experience has **strengthened my sense of responsibility, discipline, and attention to detail.**

- I am adaptable and eager to assist in **both fieldwork and documentation that support CRY's ongoing initiatives.**
- I am **motivated to learn from professionals working at the intersection of law and social development** to create lasting impact.
