Organization	Duration	Place
INTERNSHIP		
Human Resource Intern at Faucone Business Solutions Private Limited	3 months	Remote
- Filtered personnel of various backgrounds for specific job roles for the firm through phonetic interviews. - Maintained Excel Sheet for every task done along with time stamp. - Created weekly reports of work done and maintained regular contact with supervisor.		
FIELDWORK		
Organisation: The Family Welfare Agency	Duration: 375 hours	Place: Lower Parel, Mumbai
- Conducted Focus Group Discussions (FGDs) and in-depth interviews to understand community needs. - Developed and facilitated outreach activities including street plays, poster campaigns, and skits. - Led community mobilisation and awareness drives on mental health and senior citizen's rights. - Managed end-to-end planning and implementation of social work-related events, including mobilising volunteers, coordinating schedules and ensuring smooth execution. - Designed creative educational content and facilitated participatory learning sessions. - Created budgets and liaised with CSRs, NGOs and local stakeholders for event sponsorships. - Practised conflict resolution and team-building in diverse group settings. - Recording and documentation of all events and sessions. - Applied social work theories and frameworks to real-life interventions.		
Rural Practicum		
Organisation: Bhasha Adivasi Academy	Duration: 15 days	Place: Tejgarh, Gujarat

- Conducted field visits to villages (Tejgadh, Achhala, Talav Faliya) and nearby town (Chhota Udepur) to study tribal life, culture, economy and education. - Engaged in conversations with residents, shopkeepers, workers and drivers to understand local perspectives on development and identity. - Designed and facilitated an AI awareness workshop for academy staff, ensuring participatory learning. - Conceptualised and created a hand-drawn Resource Map of Tejgadh for the organisation's use. - Served as Group Leader and Point of Contact: coordinated schedules, liaised with academy staff and ensured smooth group participation. - Acted as Translator and Cultural Mediator, bridging language barriers (Hindi–English) for group members and enabling effective communication with the community. - Documented experiences through field notes, transact walks and community mapping, applying classroom learnings in practice. - Observed and reflected on tribal authorship, language preservation and identity reclamation, which were central to Bhasha's mission. - Strengthened communication, leadership and conflict navigation skills through active group management and community engagement. - Developed a deeper understanding of indigenous knowledge systems, traditional medicine and empowerment through education and authorship.
