PROFESSIONAL SUMMARY

Undergraduate degree in progress with strong organizational skills and the ability to independently initiate and complete tasks. Excellent verbal and written communication skills in English, adaptable to different audiences and seniority levels. Proficient in data-driven decision making and skilled in creating work product-focused deliverables such as PowerPoint decks, Excel models, and articles. Exceptional time management and flexibility to meet responsibilities in a complex, autonomous environment, including availability for non-traditional hours and travel to challenging work settings. Committed to continuous growth through mentoring and feedback to achieve project objectives and enhance team effectiveness.

WORK EXPERIENCE

PR and Content Head

JMS(JECRC MUN Society)

September 2025—Present

- Secured sponsor clients by initiating and maintaining conversations, contributing to the funding and success of JMS events.
- Managed and tracked content scheduling and publication to ensure timely and relevant communication across platforms.
- Approached colleges and schools to establish MOUs and delegate participation, expanding the event's reach and collaboration.
- Led and coordinated a team of 15 members, overseeing task distribution and progress to ensure smooth event execution.
- Currently spearheading the organization of a diplomacy summit event, coordinating multiple stakeholders to deliver a high-impact program.

Content Curator

College Hive

December 2024—June 2025

- Curated and created finance-related content by researching authoritative sources including books by IIM professors and educational YouTubers, ensuring accuracy and relevance.
- Utilized Gemini platform to edit and refine data, enhancing content quality and presentation.
- Contributed to a measurable increase in site reach and user engagement through consistent delivery of valuable financial information.

Extended Partnership team

April 2025—Present

IIM Bangalore BBA (DBE)

- Approached potential institutions to establish partnerships and promote the program.
- Conducted outreach and research collaboratively with the team to identify and engage prospective partners.
- Divided tasks among team members to efficiently manage partnership development activities.
- Successfully built a network and onboarded new partners, contributing to the program's growth and visibility.

Finance Intern

July 2025—present

IKYAM Healths

- Collected equipment requirement data from physiotherapists to understand organizational needs.
- Sourced and obtained quotations from multiple vendors to ensure competitive pricing.
- Prepared optimized reports using Excel to support decision-making and budget planning.
