CAREER OBJECTIVE

I have always believed that the law should serve people rather than just exist as a system. As a 1st year law student, I plan on working with an NGO where I can learn, observe, and contribute in small yet meaningful ways, thus gaining a hands-on experience of law as a living and breathing process.

PROJECTS

- Authored a sociology research paper titled "Through the Looking Glass: The Crafting of 'Good' and 'Bad' Girls in Teen Friendships," and was appreciated for originality and selected for further discussion toward potential publication.
- Drafted a detailed amendment contract for internal coursework in Law of Contracts, commended for clarity and structure.
- Wrote multiple legal research papers on topics such as Juvenile Justice in India and History of the Sati System, focusing on social and legal reform.

ACHIEVEMENTS

- Secured 3rd Rank in 10th Zeal Internal Moot Court Competition, 2025, Symbiosis Law School, Hyderabad.
- Commended for a well-structured contract draft in the Law of Contracts module.
- Participated in educational tours to the Hon'ble Calcutta High Court, West Bengal Legislative Assembly, and other institutions of historical importance.
- Consistent Class Monitor (3 yrs) and School Prefect (2 yrs).
- Appreciated by faculty for sociology research paper on gender and friendship.
- Recognition for creativity in pottery, art, and photography; showcased work in school exhibitions.
- Interests: Research writing, music, photography, artworks and creative makes.

EXTRA-CURRICULARS

- Member of the Photography Club and Art Bulletin Board in charge for three consecutive years.
- Participated in an Earth Day awareness drive promoting environmental sustainability among students.
- Member of the Research and Publication Committee, Symbiosis Law School, Hyderabad.
- Participated as the Counsel in the 7th Intra Mediation Competition, Symbiosis Law school, Hyderabad; contributed to mediation strategy and case analysis.
