Internship Experience

Risk Redefined Insurance Marketing LLP 1st June 2023 – 25th June 2023 |Bangalore

- During my internship at Risk Redefined Insurance marketing LLP, I gained practical exposure into the insurance sector. My key responsibilities involved client and data management, entailing the addressal of client inquiries, and identifying potential leads through active follow-up and research. My course at the firm allowed for the amplification of my analytical and organizational skills, equipping me with the acumen needed to adapt to similar fast-paced work environments in the future.

The Pink Moon 1st May 2024 – 31st May 2024 | Bangalore

- During my internship at Pink Moon, a plus size clothing Brand, I actively supported the marketing and design teams and attended photoshoots to maximize hands on experience. I also contributed to the launch of a new tote bag line by engaging in market research and design curation, strengthening my cross functional and communication skills through direct project involvement and teamwork.

Atha Decor

1st May 2025 – 23rd May 2025 |Bangalore

- At Atha Decor, I assisted in coordinating and executing visually appealing and brand - consistent product photoshoots, while also actively managing social media accounts by creating and monitoring content, directed towards enhancing online engagement and enhancing brand presence. Overall, my term at Atha Decor enhanced my interest in visual storytelling and digital marketing while also instilling in me the importance of attention to detail.

Expound

2023

- Expound is an intra school economics competition held at The Vidyashilp Academy, Bangalore.
- 2nd position secured.

Summer program at Cambridge University, UK

2023

- I attended an offline summer program at Sidney Sussex College, University of Cambridge, conducted by Immerse Education, where I studied psychology. My thesis, “Should Individuals with Diminished Mental Ability Be Eligible for Reduced Prison Sentences?”, examined the ethical and legal implications of mental capacity within the justice system. This experience ultimately inspired me to pursue a career in law.
- I participated in an essay competition for my enrollment in the course, through which i was awarded a scholarship of 10%.

Clever Harvey, Junior MBA program

2023

- I completed a Junior MBA in Entrepreneurship with a company project by Multiply Ventures, through the online platform Clever Harvey.
- The program helped strengthen my communication, problem solving, and critical thinking skills while also giving me the opportunity to work efficiently when placed in a group setting.

Extra-Curricular activities

TEDx VSA

April 2024

- Curation team understudy
- As part of the curation team, I gained hands-on experience in content selection, speaker research, and theme selection. Working closely with seniors, I learned how to identify impactful ideas and ensure coherence between talks and the event's vision. This role strengthened my skills in communication and critical thinking through teamwork.

TEDx VSA

December 2024

- Curation team lead
- After serving as an understudy, I was promoted to the lead of the curation team. I was responsible for overseeing content development, guiding team members, and maintaining the overall theme of the event. I not only mentored speakers but coordinated between the organizing committee and speakers and ensured that each talk aligned with the event's core vision.

Animal welfare society

2025

- Part of the animal welfare society at OP Jindal Global University, which entails direct contact and care for animals. My direct role relates to feeding dogs on campus.
