OBJECTIVE

To gain practical exposure in child rights and community development through a three-month internship at CRY, applying my academic knowledge and fieldwork experience in areas such as child welfare, community organization, awareness program facilitation, and research. I aim to enhance my skills in advocacy, communication, and project implementation while contributing effectively to CRY’s mission of ensuring happier, healthier, and educated childhoods.

EXPERIENCE

FIRST SEMESTER

- Know Your Locality Fieldwork: Visited 40+ government and non-government organizations across Kerala, including NGOs, ICDS, Panchayaths, correctional, women and child, medical, and educational settings to understand community structures and welfare services.

THIRD SEMESTER

- ICDS Fieldwork: Pulikkun Anganwadi, Kottayam (3 months): Conducted organization and community studies, casework, and group work. Organized awareness programs for, a clean drive with local bodies, and a poster exhibition.

FOURTH SEMESTER

- CHC Fieldwork – Vandiperiyar, Idukki (3 months): NHM and CHC study, casework and group, Community Programmes, Completed a mini research and project proposal.

FIFTH SEMESTER

- Research: Conducted a study “Parental Involvement in Delivering Home-based Sexuality Education to Children - Study among parents.
- Presented paper on “Enhancing Mobility and Independence: The Role of Assisted Living for Locomotive Disabilities.
- Conducted International Ability Fest- SADGAMAYA 2025.
