I, Anasuya Choudhury, a first year law student of St. Xavier's University, Kolkata, would like to join the NGO 'Child Rights and You' to do my first internship and gather knowledge and experience.

I am seeking an internship at Child Rights and You to contribute legal research, advocacy and project management skills towards advancing the organisation's mission, during our semester break in the month of December 2025 to January 2026.

Educational Qualification - I passed my ICSE in the year 2023 with 82% marks, and ISC with 88% marks in the year 2025. Currently I am pursuing the course B.A. LLB (H) at St. Xavier's University, Kolkata.

Other Experiences - I have participated in many debating competitions and MUNs and won a couple of them. I have also volunteered in an institution which is a home for disabled women and girls run by the Missionaries of Charity for a couple of months. I have an experience of organising events in school.

Skills -

1. Communication
2. Critical Thinking and Problem Solving
3. Organising events and project management

Hope I would be favoured with an internship at your organisation.
