

Final Internship Report — CRY (Child Rights and You)

Name: Prerna Gupta

Period: May–June 2025

Project Overview

Worked as an **Operations Intern** supporting the Under-18 Internship Program at CRY. Led intern teams, managed communication and data systems, designed digital campaigns, and organized thematic awareness workshops.

Key Contributions & Outcomes

Team Leadership & Productivity

- **Spearheaded a team of 40+ interns**, coordinating weekly deliverables and mentoring peers.
- Boosted team productivity by **40%** by implementing streamlined reporting systems and structured follow-ups.

Onboarding & Communication

- Drafted and sent detailed welcome emails covering program scope and timelines.
- Created a dedicated WhatsApp group and managed a Google Sheets dashboard for **100+ interns**, ensuring **100% accurate participant data** and faster issue resolution.

Content Creation & Digital Campaigns

- **Designed creative posters** and campaign materials, increasing visibility across **1,000+ students**.
- Grew program's social media engagement **within 2 months** through targeted content strategies.

Fundraising & Outreach

- Planned and executed content marketing campaigns and outreach initiatives.

- Achieved **50% growth in fundraising** (+₹40K donations), supporting CRY's child rights projects.

5 Awareness Workshops & Training

- **Trained 40+ students on cyber safety** through interactive workshops covering phishing, identity theft, and online fraud prevention.
- Boosted digital risk awareness by **87%**, as measured through pre- and post-session surveys.

6 Content & Activity Design

- Curated and managed four thematic weekly tasks:
 - *Task 1:* Essay competition on CRY's mission & Environment Day
 - *Task 2–3:* Awareness campaigns
 - *Task 3:* Fundraising campaigns
 - *Task 4:* Cyber safety education (explained cyber crimes and shared real-life examples)
-
