

Internship Report
Organization: CRY (Child Rights and You)
Intern Name: Akanksha
CRY Mentor: Smriti Rustagi
Internship Duration: 8th April - 8th May, 2025
Department: Operations and Outreach

This report outlines the work I undertook during my internship at CRY (Child Rights and You), a non-governmental organization committed to the rights and development of underprivileged children. The internship provided me with valuable exposure to both backend operational work and field outreach, aligning with CRY's mission of child welfare and youth engagement.

Roles and Responsibilities

1. **Backend Operations Support**
Assisted the Operations team in maintaining and managing data using Excel spreadsheets. Focused on tracking and organizing inventory for stationery and sports items used across different programs.
2. **Social Media Content Creation**
Designed visual content for CRY's Instagram handle using Canva. Ensured that the posts aligned with CRY's branding and messaging, contributing to public engagement.
3. **Finance Awareness Program**
Participated in finance literacy sessions conducted in two government schools in Rohini.
4. **School Outreach for Internships**
Compiled a detailed list of schools from Gurgaon, Noida, and Delhi to expand CRY's student engagement for summer internship opportunities. This database will be used for future outreach and collaborations.
5. **Community Engagement**
Reached out to principals of various government schools to propose awareness programs. Helped coordinate with school authorities for potential partnerships and program implementation.
6. **Intern Recruitment Support**
Supported CRY in recruiting college students for its internship programs.

Key Learnings

- Gained hands-on experience in managing organisational data and logistics.
- Developed skills in digital design and communication through social media content creation.
- Improved interpersonal and professional communication skills through direct engagement with school staff and students.
- Understood the operational challenges and strategies in running awareness campaigns and recruiting volunteers.
