

FINAL REPORT

NAME: NIDHI RAWAT

INTERNSHIP DURATION: 1 MONTH

MENTOR: SMRITI RUSTAGI

Week 1 Work Report (15th May- 23rd May 2025)

1. Drafting and Sending Mail to Students

- Composed a detailed and clear draft email to inform selected students about the upcoming **Under-18 Internship Campaign**.
- Ensured the draft was aligned with communication objectives and submitted it for review.
- Made revisions as per feedback and received final approval.
- Successfully disseminated the finalized email to all eligible students, ensuring timely communication and maximum outreach.

2. Outreach to Schools

- Identified schools listed in the provided spreadsheet for campaign promotion.
- Sent official emails to these schools with an **informative poster** and **registration link**, encouraging participation in the internship campaign.
- Maintained professionalism in communication to establish credibility and interest.

3. Intern Details Management

- Accurately entered and regularly updated the details of all registered interns in the assigned **Google Sheet**.
- Ensured data accuracy and completeness for effective documentation, tracking, and follow-up.

Week 2 Work Report (26th May – 30th May 2025)

1. Communication with Selected Interns

- Successfully sent introductory emails to newly selected student interns for the upcoming **Under-18 Internship Program**.
- Communicated all necessary information including internship objectives, expectations, and orientation schedule.
- Ensured all interns joined the official **WhatsApp group**, enabling smooth real-time communication and coordination.
- Addressed initial queries and ensured clarity regarding the next steps.

2. Intern Documentation

- **Google Sheet** for registered interns was updated and reviewed.
- Recorded details such as full names, contact information, school/college affiliations, and program preferences.
- Ensured data accuracy and completeness to maintain efficient intern tracking and documentation throughout the internship.

3. Module Development

- Designed a structured and age-appropriate **Gender Module** for the **12–18 age group**.
- Incorporated fundamental **gender concepts** such as gender identity, stereotypes, and equality in an accessible manner.
- Included a mix of **interactive activities**, real-life examples, reflection-based questions, and visual elements to maintain engagement.
- Ensured content is sensitive, inclusive, and aligns with the developmental level and understanding of young learners.

Week 3 Work Report (2nd June – 6th June 2025)

1. Under-18 Internship – Online Coordination

- Shared **Task 1** with all selected under-18 interns through the designated communication channels.
- Clearly explained the task guidelines, expectations, and deadlines to ensure clarity among all participants.
- Provided a **submission link** and ensured it was accessible to all students.
- Maintained regular **follow-up and communication** throughout the week to support interns and encourage timely submissions.
- Verified, cross-checked, and documented all assignment submissions by the **end of the week** to ensure completion and maintain accurate records.

2. On-Ground Field Work – PACE (Wazirpur Village)

- Carried out **field outreach activities** as part of the community engagement strategy at **PACE Centre, Wazirpur Village**.
- Engaged with local families and children to provide assistance and raise awareness on documentation needs.
- Specifically focused on:
 - **Aadhaar card enrolment** for children under the age of 18.
 - **Updating Aadhaar details** for existing cardholders.
- Highlighted the **importance of proper documentation** in enabling children to access their rights and government entitlements (e.g., education, healthcare, welfare schemes).
- Promoted a rights-based approach to documentation among community members.

Week 4 Work Report (9th June – 13th June 2025)

1. Under-18 Internship – Online Coordination

- Shared Task 2 with all selected interns along with a detailed explanation of the task requirements and expectations. Ensured that all students understood the objectives and deadlines.
- Provided students with the submission link and necessary guidelines to ensure smooth and uniform submission of assignments.
- Maintained regular follow-up through messages and calls to track their progress and provide support wherever required.
- Verified all submissions, ensured completeness, and documented them systematically by the end of the week.

2. On-Ground Field Work – PACE Centre (Wazirpur Village)

a. Aadhar Card Enrolment/Update Camp for Children (<18 years)

- Supported the team in functioning of the camp dedicated to children under 18.
- Assisted parents and children through the documentation and procedural steps, helping them understand and complete the process efficiently.
- Recorded accurate details of each child attending the camp in the register for official use and follow-up.

b. Data Entry and Documentation

- Digitized the case records by transferring handwritten entries from the register into a structured Excel, ensured high accuracy and maintained confidentiality while handling personal and sensitive data of children/women and their families.

c. Visit to Another PACE Centre

- Visited a second PACE Centre within the locality to gain broader insights into CRY's fieldwork and engage with peers.
- Participated in informal group discussions with the girl students, understanding their experiences and sharing ideas for improvement.
- Initiated interactive sessions focused on education, self-awareness, and aspirations.
- Facilitated discussions around: **Personal Safety and Awareness, Communication and Confidence-Building**
- Encouraged participation and created a safe space for the students to express their thoughts and ask questions.

Week 5 Work Report (16th June- 20th June 2025)

1. Under-18 Internship – Online Coordination:

- Successfully shared **Task 3** with all selected under-18 interns at the beginning of the week. The task details were clearly explained to ensure proper understanding among the students.
- Provided the submission link along with guidelines to facilitate smooth completion and submission of assignments. Maintained regular communication through reminders and check-ins to support students and resolve any doubts or issues they encountered.

2. Submission Tracking and Documentation:

- Developed and maintained a structured **Excel sheet** to systematically record the submissions made by each intern.
- Sent timely reminders to students who were yet to submit their work. Ensured that all students completed their assignments within the deadline and updated the Excel record accordingly to reflect the final status of each submission.

Week 6 Work Report (23rd June- 27th June 2025)

1. Final Task Distribution and Communication

- Successfully shared **Task 4** with all selected under-18 interns.
- Clearly explained the task objectives, instructions, and expectations to ensure clarity and proper execution.
- Provided the **submission link** to all interns for uploading their completed assignments.

2. Submission Tracking

- Diligently **updated the Excel sheet** to track the submission status of each student.
- Ensured all records were accurate and reflected the real-time progress of submissions.

3. Intern Details Management

- Updated the **Google Sheet** with details of newly joined interns.
- Verified and cross-checked entries to maintain up-to-date and error-free records.
